Scale: 1:10

Registered in England No 990472

Connect Naturals is produced using natural wools and as a result of this, shade variation may occur between batches. If exact shade representation is required please contact the sales office for samples obtained from our current stock material. Natural shades may not perform under certain conditions and therefore consideration must be made by the specifier with regards to areas of usage and subsequent appearance retention. Please refer to our comprehensive Cleaning Maintenance guidelines relating to your Newhey product.

Please note - The colours represented within the carpet illustrations shown on this page are reproduced as accurately as the printing process will allow. For individual samples or stock collection folders please contact the customer service team on 01706 846 375.

All designs illustrated on this page are copyright and may not be reproduced in part or in total without the written permission of Newhey Carpets Ltd.
